Project budget

Neighborhood Community Project Grant

Maple Block Neighbors | Jordan Lee
jordan.lee@example.org | Requested funding: $20,000
Prepared October 29, 2026

Total project cost and funding request

$20,000 total cost. $20,000 requested from this grant. No matching funds or other funding sources are assumed in this fictional application.

Materials: $8,000

Raised-bed materials: 8 sets x $600 = $4,800
Soil and compost: 20 cubic yards x $100 = $2,000
Seeds and seedlings: 120 packs x $10 = $1,200

Workshop supplies: $2,400

Participant learning materials: 60 kits x $40 = $2,400

Equipment rental: $2,000

Garden and event equipment rental: 10 days x $200 = $2,000

Venue costs: $1,600

Community venue access: 8 sessions x $200 = $1,600
Includes six public workshops and two project preparation sessions.

Direct program delivery: $6,000

Workshop facilitation and preparation: 6 workshops x $1,000 = $6,000

TOTAL REQUESTED: $20,000

All costs support the activities in the project proposal and fall within its 12-month delivery period. Rates are fictional planning estimates. No fiscal-sponsor fee is charged in this example. No real payments, bank details, or actual vendor quotations are included.

Synthetic names and facts. Not valid evidence of an actual organization or sponsorship.
